

MOD

When stone meets ceramic

MOD enters the stage as one of Luzerne's first collections in the brand's new stoneware category. Available in the dusted colours of smoky basil, smoky plum and dusted white, the collection is inspired by a minimalist mood board where home gardening and organic food are part of everyday life. MOD is made with the generous weight of stone. Every piece falls comfortably in cupped hands while the applied glaze gives them a soft natural sheen. Making its appearance as a stoneware collection in a world of ceramic, it's truly love at first sight.

Colour variation is a naturally occurring feature of reactive glazed finishing. Irregularities in glaze and textures are celebrated as the mark of an artist's hand and a cherished authentic design.
